A story that still sails.

In 1966, Sir Francis Chichester set sail from Plymouth aboard Gipsy Moth IV. With a single stop in Sydney, his solo voyage took him around Cape Horn and home on 28 May 1967. The yacht remains a living symbol of determination and ocean adventure.

A REAL YACHT. AN EXTRAORDINARY LEGACY.

Character in every pour.

THE BOTANICALS

Juniper. Angelica. Liquorice. Coriander.

Juniper forms the foundation, with angelica root, liquorice and coriander seeds among the botanicals. Balanced to enjoy neat, with tonic or in cocktails.

SMALL BATCHES, CAREFUL CRAFT

The Sailor's Edition is made in small batches of just 600 bottles and passes through five distillation sequences.

SIMPLY, GIPSY & TONIC

Plenty of ice. A quality tonic. A citrus garnish. Adjust the balance to your taste and let the gin's botanical character shine.

Or enjoy a small measure neat to explore the botanicals.

Help keep the story afloat.

Part of the proceeds from gin sales supports the upkeep of Gipsy Moth IV and the promotion of sailing, including World Sailing Day. Restoration, maintenance and keeping a historic yacht sailing are continuing commitments.

28 MAY / WORLD SAILING DAY

On the anniversary of Chichester's return to Plymouth, celebrate a shared love of the sea and help carry the yacht's heritage into the future.
